February & March 2019 Edition

We hope you've all had a lovely Christmas and wish you all a Happy New Year.

We are currently planning our trips for 2019 which will include some old favourites as well as some new, fun and enjoyable activities. Included in this newsletter are trips for February and March. If you would like to be considered for a place on any of these trips, please complete the consent form and return to us as soon as possible.

Please remember to check your diaries before you send in your consent forms and if unwell or unable to go it's really important to let Jim know ASAP so opportunities can be offered to other children. Thank you.
